Subject: FW: EPA Webinar: Improving Return on Stormwater Investments Through Crediting and Pay-For-Performance (January 31)

Please feel free to distribute widely. I was invited to participate, and I will be highlighting Region 9er Janet Parrish's good work on offsite stormwater crediting. Almost 600 registrants so far, but room for more! Thanks
Dave

Subject: EPA Webinar: Improving Return on Stormwater Investments Through Crediting and Pay-For-Performance (January 31)

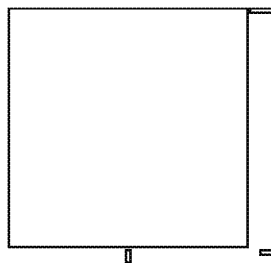

Water Finance Webinar:

**Improving Return on Stormwater
Investments Through Crediting and Pay-
For-Performance**

January 31, 2019
1:30 - 3:00 pm ET

—

This webinar will provide an introduction to stormwater crediting and specific examples of pay-for-performance approaches in communities.

Hear about how crediting can help you get more for your stormwater dollar, and hear about successes, challenges, and lessons learned from Tennessee and Maryland.

REGISTER NOW

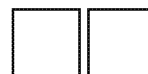

Space is limited. Registration is required.

About the Water Finance Center:

EPA's Water Infrastructure and Resiliency Finance Center is an information and assistance center, identifying water infrastructure financing approaches that help communities reach their public health and environmental goals.
